MATARO, Catalonia, Spain

Mediterranean city, active and under transformation, engaged in new technologies and faithful to its culture and history. That is the kind of city that is waiting for you. You will know its rich architectural and archaeological heritage; you will enjoy its beaches, parks and mountains; you will have fun with its parties and traditions; you will find a wide range of shopping facilities and traditional **Mediterranean** markets. When you come here, you will share the standard of living and the challenges of the 21st century with the people from Mataró.
